

DEPARTMENT N

ANTIQUES

ITEMS MUST BE 50 YEARS OLD OR OLDER

Antique furniture and accessories are to be placed or arranged in designated spaces so as to create an authentic scene or to suggest an interesting corner, nook, or spot in the home. You **MUST** include a legible poster with a clear, brief history about the antiques used. When possible, give the full particulars of the pieces used — the approximate date of making and the name of the first or real owner of the articles. This information adds interest to an antique exhibit and the suggested plan of displaying your antiques is designed to give pleasure to exhibitors and create interest in and appreciation of the home furnishings of our ancestors. Enough articles should be used to complete your project, but crowding is not advised. Be sure to send your entry form in early. **There is a limit of eight available spaces and only one space (2 1/2' x 6' deep) is permitted per exhibitor.**

A \$10.00 reservation fee is required for each N-01 entry, to be submitted with the entry form by August 31, either cash or a check made out to Guilford County 4-H.

This fee will be returned when your exhibit is put into place.
